	08/10/2004: - Heard Shri L.T. Modi counsel for the appellant. When the respondents/claimants namely Hiralal and Sakun Bai were going in a two-wheeler along with their four years old daughter, a truck in question came from the opposite direction driven by its driver in a rash and negligent manner and dashed against the said two-wheeler. In the said accident the infant died. The respondents/claimants made a claim for Rs.3,10,000/- on the file of Sixth Additional Motor Accident Claims Tribunal, Raipur by way of compensation. The Tribunal after considering the materials available on records came to the conclusion that the just and proper compensation that can be paid is Rs.60,000/-. Being aggrieved by the said award, present appeal has been filed. This Court after carefully examining the matter is of the considered view that it cannot be said that the award of Rs.60,000/- is higher side. There are no merits in this appeal. Accordingly the same is dismissed. **Sd/-** **Chief Justice**
